

Psychophysics: from Physics to Neuroscience

October 22nd, 2024

7th Brazilian Celebration of Fechner Day - 2024

7th Brazilian Celebration of Fechner Day - 2024

Invited lectures

Prof. William Stine
University of New Hampshire, USA

Lecture:
When the visible vanishes: An exploration
of inhibition during motion induced
blindness.
6 pm (Brazilian Time Zone)

Prof. Maria Ângela Feitosa
University of Brasília (UnB), Brazil

Lecture:
Revisiting Auditory Psychophysics
7 pm (Brazilian Time Zone)

7th Brazilian Celebration of Fechner Day - 2024

Young psychophysical researcher awards

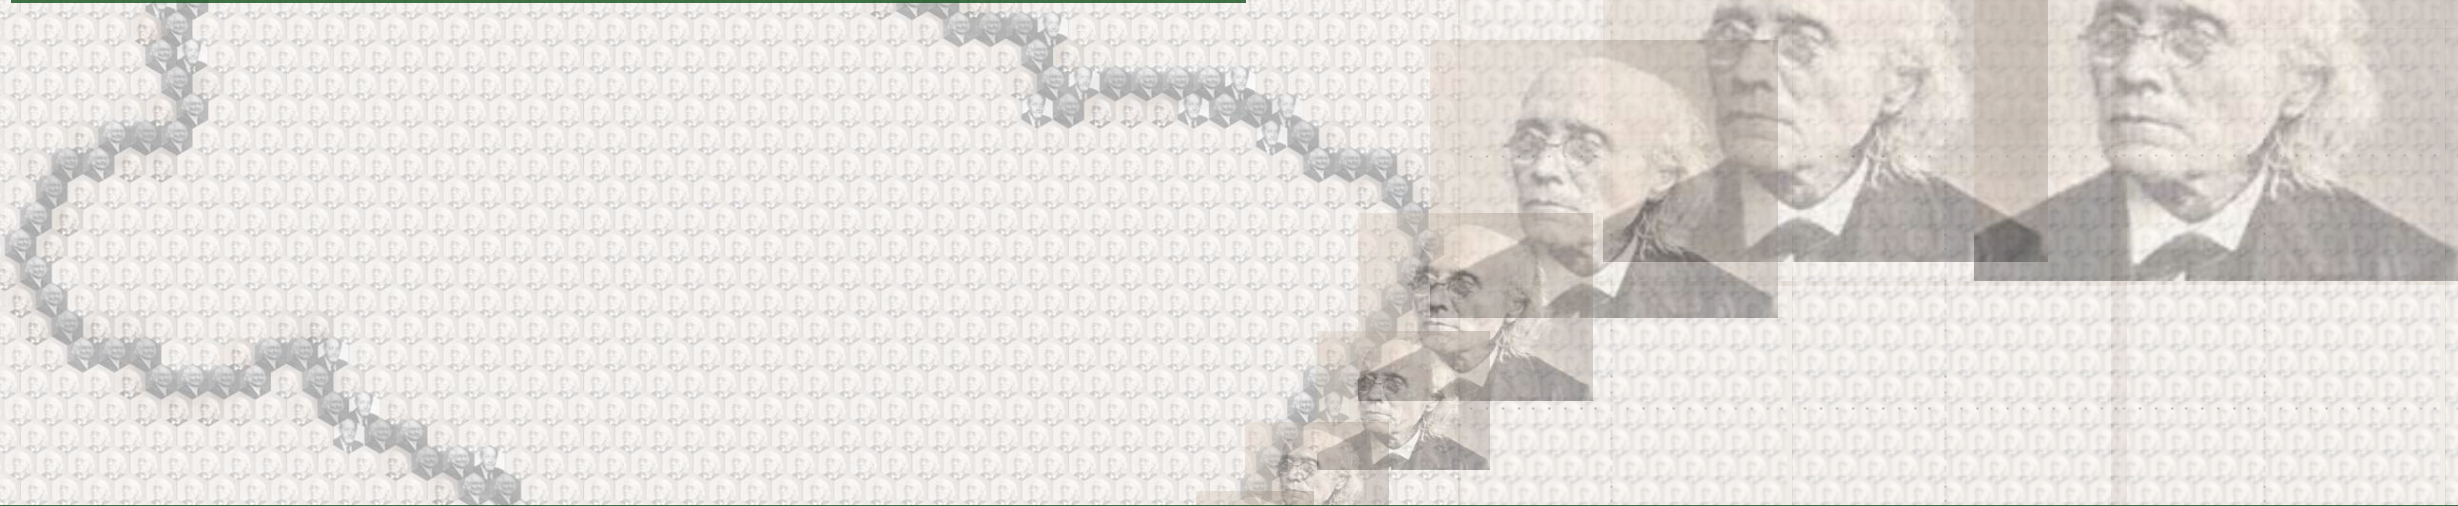

Prof. Givago da Silva Souza
Federal University of Pará, Brazil

Prof. Marcelo Fernandes da Costa
University of São Paulo, Brazil

7th Brazilian Celebration of Fechner Day - 2024
